FLL 120  
GN 290

### PROGRAM FEE

\$3,370 + tuition

### TRAVEL DATES

March 12-20, 2020

### DEADLINE

November 1st

## ABOUT

Germany's history is rich with successes in the arts and sciences, but modern stability is still drawn against the backdrop of Nazi Germany and the Cold War. Students will have the opportunity to study and experience Germany's rich culture in Leipzig and Berlin while being encouraged to reflect upon the various ways through which plural cultural identities are constructed both generally and specifically in response to place and time.
