

Final Exam Period

1. Test #4 will be given in first half of final exam period:
8:00 – 9:15 AM, Thursday, Dec. 14.
2. Make-up Tests will be given second half of final exam period:
9:15 – 10:30 AM, Thursday, Dec. 14.
3. You may take any test that you missed (make up a zero).
4. You may take any test that you think you can improve your score on (the make-up is the one that I will count).
5. There is probably not enough time to take more than one make-up test (but you can try --- no time extensions).
6. Sign-up by code number on sheets in front at beginning or end of class (sheets will be here 3 remaining class meetings).

Test Topics

Test 1: Voting Methods [60%], Weighted Voting and Banzhaf Power Index [40%]

Test 2: Fair Division [80%], Apportionment (Hamilton's Method) [20%]

Test 3: Apportionment (Jefferson's, Adams', Webster's Methods) [20%], Counting [60%], Probability (Outcomes) [20%]

Test 4: Probability (Events) [30%]
Descriptive Statistics [70%]
